

Toll Enterprise GTP Dematic Schedule

This figure is a detailed project schedule chart for the Toll Enterprise GTP Dematic system. It displays tasks, milestones, and dependencies over time from February 2016 to February 2017.

The chart includes a task list on the left, a timeline at the top, and a main scheduling area with bars representing task durations and milestones marked by diamonds. Key milestones include:

- 15/04: Contract / Purchase Order
- 31/10/16: Site Access (Revised Target Dates Sept 2016)
- 31/10/16: Practical Completion
- 31/10/16: Requirements (By Others)
- 31/10/16: Design Inputs for Dematic, original assumptions
- 31/10/16: Design Outputs (from Dematic) for Approval
- 31/10/16: Product Testing and Training
- 31/10/16: Design
- 31/10/16: Engineering Mechanical
- 31/10/16: Submit Detailed Layout Drawings for Approval

The chart also shows various summary bars and progress indicators for different sections of the project.

Legend:

- Task: Blue bar
- Milestone: Diamond symbol
- Summary: Grey bar
- Rolled Up Task: Thick blue bar
- Rolled Up Milestone: Thick diamond symbol
- Rolled Up Progress: Thick grey bar
- Split: Thin blue bar
- External Tasks: Thin grey bar
- Project Summary: Thin grey bar
- Inactive Milestone: Dashed diamond symbol
- Inactive Summary: Dashed grey bar
- Group By Summary: Dotted blue bar
- Inactive Milestone: Dashed diamond symbol
- Inactive Summary: Dashed grey bar
- Manual Task: Black arrow
- Duration-only: White box
- Manual Summary Rollup: Dotted black bar
- Manual Summary: Light blue bar
- Start-only: Thin light blue bar
- Finish-only: Thin dark blue bar
- External Tasks: Thin grey bar
- External Milestone: Thin grey diamond symbol
- Critical: Double line
- Critical Split: Double diamond symbol
- Progress: Green bar
- Deadline: Red bar
